- SFDS: Square Feed Drive System
- Plus much more!

Discover the magical world of sewing

Express your creativity in unlimited ways with the Innov-is F420. Whether you are new to sewing or an expert, this machine allows you to enjoy creating everything from fashion to home furnishings.

Bobbin winding system

Fast and simple threading makes winding bobbins quick and easy.

Drop-in bobbin

Just drop-in a bobbin and you're ready to sew.

Advanced needle threading system

Effortlessly thread the needle by simply lowering the lever.

Automatic thread cutter

Automatically cut upper and lower threads.

Lock stitch button

At the touch of a button, tie-off stitches can be easily sewn at the beginning and end of the stitch.

Slide speed control

Adjust the sewing speed from slow to fast - also used for Width Control when varying stitch width is activated for zigzag.

SFDS: Square Feed Drive System

Square Feed Drive System gives you smooth, even feeding action for superior stitch quality on any weight of fabric.

Sewing features

With a full range of features suited for beginners to professionals, Brother sewing machines make sewing almost effortless. Automated functions, such as upper and lower thread sensors that warn you when the bobbin thread is running low, offer you an intuitive user experience plus up to 850 superior quality stitches per minute. Fully expressing your creativity has never been so easy.

180 sewing stitches

Choose from a variety of stitches built-in to the machine, giving you unlimited creativity. Also includes 10 button holes and 5 lettering styles.

Free arm

Ideal for sewing tubular items like sleeves, trouser legs, etc.

Adjustable thread tension

Achieve the best possible stitch quality across different fabrics by adjusting the tension of the upper thread.

Knee lift

Free up your hands by using your knee to lift the presser foot.

My Custom Stitch

Design your own stitch patterns or edit and change the built-in template designs and save for future use.

Sewing mends the soul!

Sew with confidence. Sew with ease.

Whether you are a beginner or more advanced user our Innov-is F420 sewing machine makes sewing a breeze. User-friendly features and advanced needle threading give you more time to do exactly what you love – being creative!

Innov-is F420

Optimal for a wide variety of sewing projects, the Innov-is F420 offers 180 inbuilt stitches and incredible ease of use, thanks to its advanced handling features. The perfect machine for a beginner or an advanced user, the machine offers quality features plus a knee lift and programmable custom stitching.
